At Alard college of Pharmacy, IQAC will ensure quality culture as the prime concern for B.Pharm and M.Pharm course through all the initiatives taken with internal and external support.

IQAC OBJECTIVE

The primary objective of IQAC at Alard College of pharmacy is;

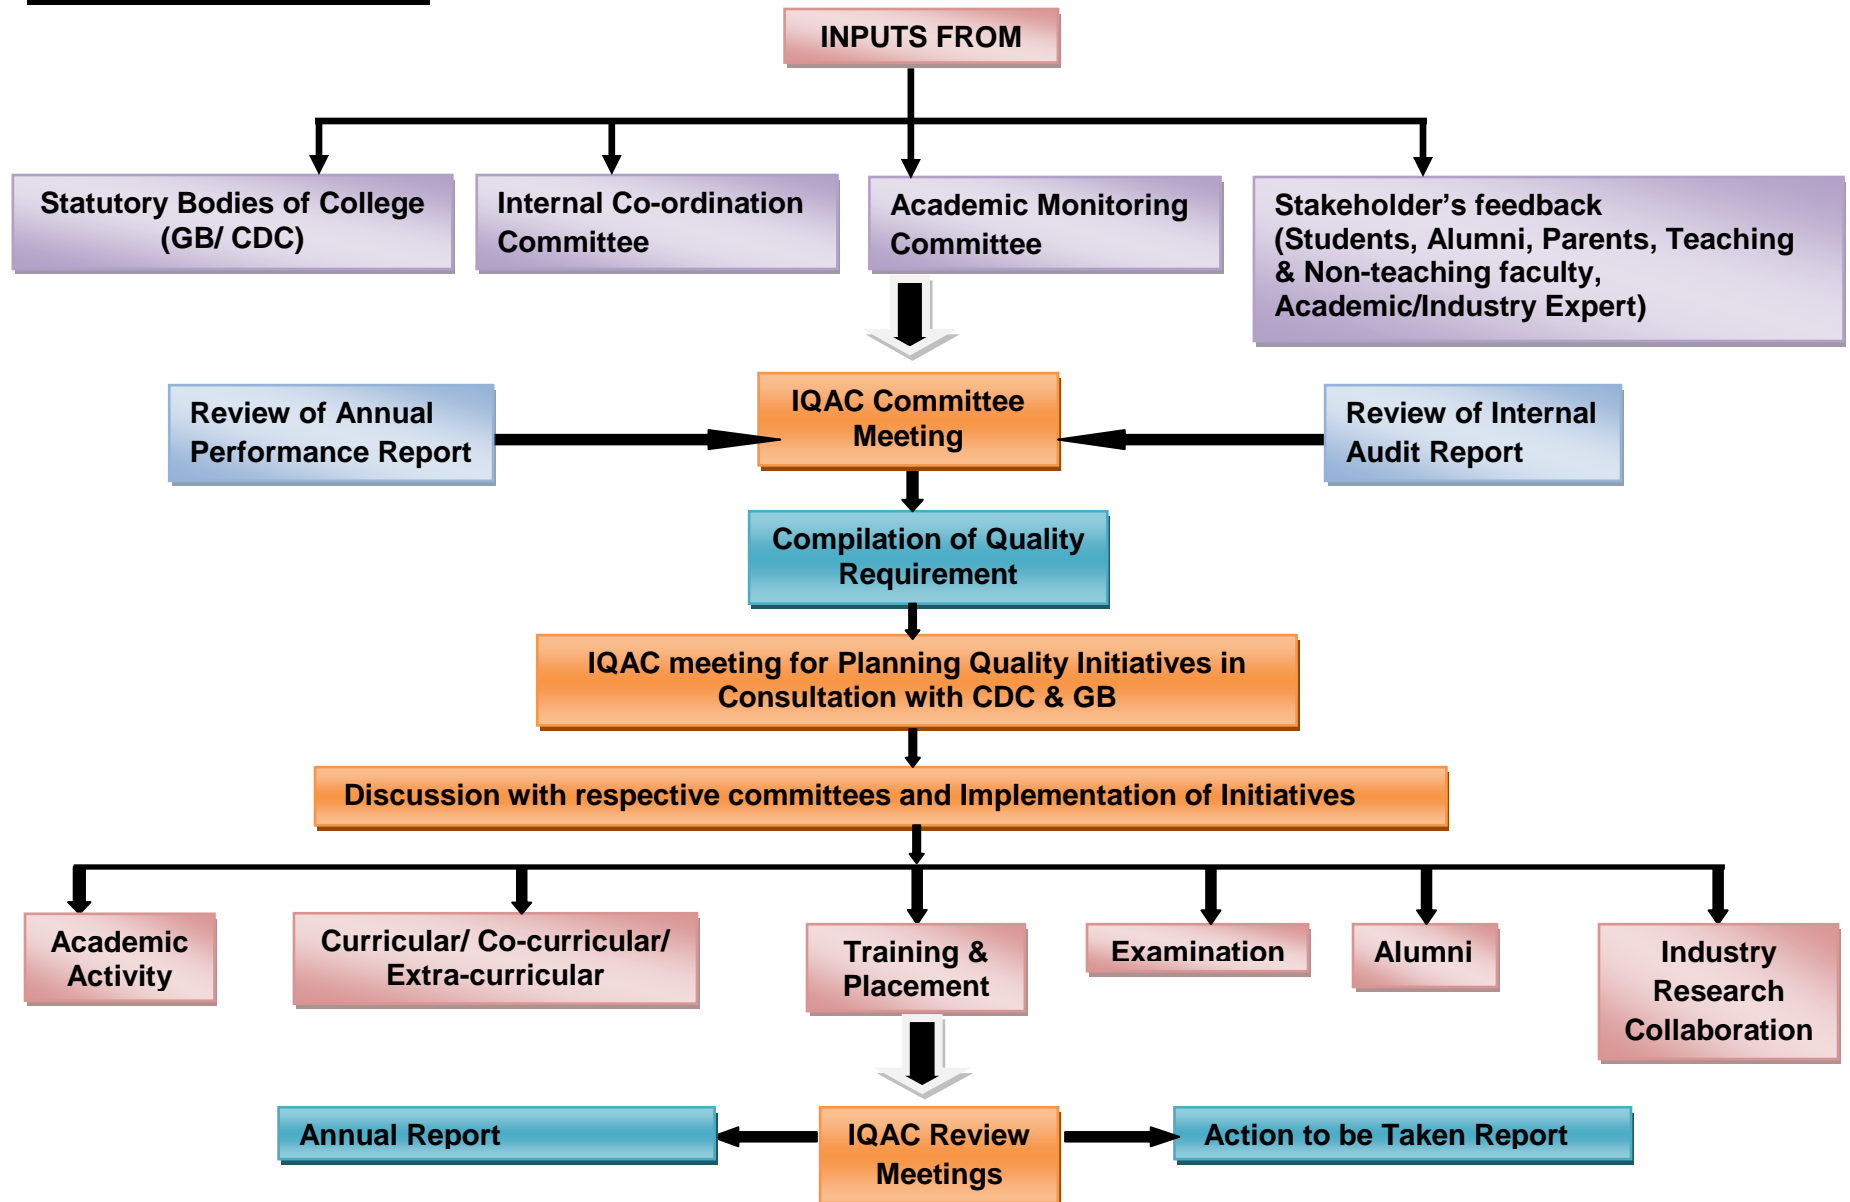

- To develop a system to improve the academic and administrative performance of Alard college of Pharmacy.
- To promote measures for quality enhancement through quality culture and best practice.

IQAC FUNCTIONS:

- To develop a quality culture at Alard College of Pharmacy.
- Initiate processes and methods for overall Academic as well as Institutional development.
- Monitor and evaluate the processes and methods for effective implementation of quality initiatives.
- Review the feedback from student/ faculty/ and other stakeholders.
- Monitor and review the curricular, cocurricular and extracurricular activities of college.
- Documentation of various programme leading to Institutional Excellence.
- Preparation of Annual Report.

Mechanism of IQAC

The Internal Quality Assurance Mechanism in the institute has been decided as follows for systematic development of the college:

- IQAC receives the inputs from Statutory Bodies of College (GB/ CDC), Internal Co-ordination Committees (ICC), Academic Monitoring Committee (AMC) and Stakeholders (Students, Alumni, Parents, Teaching & Non-teaching faculty, Academic/Industry Expert).
- IQAC Meeting to review Inputs received, Annual Report of college and Internal Audit report of College and compiles the Quality Requirements to be implemented for college development.
- IQAC, in consultation with CDC and GB, plans the quality initiatives including strategic plan for short term and long term goals.
- The respective committees are intimated about the plan through circular and implementation steps are discussed.
- Implementation of Initiatives is executed in the various areas such as Academic Activity, Co-curricular/ Extra-curricular, Training & Placement, Examination, Alumni, Industry Research Collaboration.
- The effective implementation of Quality initiatives is assessed by measuring various parameters as follows :
 - a. Academic Activity - by review of internal and university examination results.
 - b. Co-curricular/ Extra-curricular: Percentage of participation by students and awards won.
 - c. Training and placement: percentage of students placed and training and placement activities conducted.
 - d. Examination: by review of internal and university examination results.
 - e. Alumni: review of Alumni activities and contributions.
 - f. Industry Research Collaborations: Number of MOUs, research projects, publications and funding received.

The IQAC then prepares the **Annual Report** of implementing quality initiatives of college and prepare Report of **Action to Be Taken** for continuously improving effectiveness of the initiatives as required.
