

Institutional Distinctiveness: Student Empowerment through Holistic Development

Our Institution encourages students from rural background who would also have completed their basic education in a vernacular language to enter the profession of pharmacy. The biggest challenge for such students is inclusiveness into the techno-savvy global society and profession. Such being the case, it becomes crucial for them to enhance their skill sets not only in academics but also in social behavior to be able to compete and survive in the modern world.

Alard is distinct in the way that it strives towards holistic development of the student by way of a structured delivery of curriculum in conjunction with organizing *programmes and activities directed towards* the development of every student's professional/intellectual, emotional, social, spiritual, physical, artistic and creative potential.

The Practice:

I. Professional/Intellectual Skill Sets Enhancement:

- a. Curriculum is delivered using novel and creative methods with visual aids to bring clarity in concepts of pharmacy. PowerPoint presentations, small group learning, self directed learning, problem based learning and experiential learning are some of the methods employed for curriculum delivery.
- b. They are encouraged to enhance their oral presentation skills by way of conducting seminars and presentations frequently in regular classes.
- c. They are kept up-to date with the recent trends and technology in pharmacy by arranging guest lectures and add-on / certificate courses delivered by panel of experts from academics and industry.
- d. The students are encouraged to present their research findings and scientific reviews in State and National Level seminars and conferences.

- e. The students hone their IT skills using courses on MS Office like powerpoint presentations, MS excel for data analysis and presentation and use of Softwares for statistics in research.
 - f. A well structured annual plan of the Alard Centre for Innovation, Incubation and Entrepreneurship (ACIIE) inspires the students to innovate by providing them with the facilities and inspires them to become entrepreneurs by providing them with the knowhow of business management.
 - g. An active scientific committee committed towards training students in active research provides guidance and training in scientific writing, preparing scientific posters and presentations, checking for plagiarism and in paper publications in journals of repute.
 - h. Training and Placement Cell provides Career Counseling, Personality Development programmes, Grooming to prepare them for interviews and Group Discussions Skills required during Campus Placement Drives.
- II. **Emotional Skills Enhancement:** All the students participate in several programmes addressing gender equity and women empowerment to bring in awareness on changing roles of women and men in the global society.
- III. **Social Skill Enhancement:** A well established NSS unit provides the students with opportunities to display their concern and social responsibility towards well being of local community and society at large.
- IV. **Physical and Spiritual Skills Enhancement:** A Sports committee, a Centre for Yoga and Naturopathy and a Gymnasium helps students to remain focused on their Health. Students actively take part in regional and religious events to develop their spirituality.
- V. **Artistic and Creative Skills Enhancement:** Various Student clubs are formed to encourage them to express and display their interests and hobbies like the Dance Club, Drama Club, Science Club, Sports Club and Art club.

IV. Physical and Spiritual Skills Enhancement:

Sports Activities

Sr. No.	Date of Activity	Name of activity conducted	Beneficiary	Outcomes of activity
1	21 st Jan to 25 th Jan 2019	33 rd Pharmacy Cup (Men's and Women's State level Cricket tournament) Organized by Poona College of Pharmacy.	For all students	Physical fitness, Sportsmanship development.
2	6 th Feb to 12 th Feb 2019	College Sports Week	For all students	Physical fitness, Sportsmanship development.
3	14 th Feb to 16 th Feb 2019	Alard Champion Trophy Effort (Organized by Alard Group of Institutes)	For all students	Physical fitness, Sportsmanship development.

V. Artistic and Creative Skills Enhancement:

The students are given ample opportunity not only to build their innate latent talents but also to sustain them by way of presence of various clubs like the Dance club, Drama Club, Art Club and Science Club. The students plan annual activities along with the help of the student core committee, build on their innate talent, grow in confidence and represent the college in inter-collegiate activities and at zonal/ state level. Faculty and management shower enough praise and awards to boost their confidence and help them to work further on their hidden talents to progress it to a career sometimes.

Student Clubs for the Academic Year 2018-19

1. Dance Club: “Taal”

Members: Kavya Vishwakumar, Sanjana Walekar, Neha, Sonali Ghare, Priya Khandare.

Extracurricular are a great way to participate in an activity such as dance. Dance is more about the passion. Students from the dance club put up performances during Annual day, Shivaji Jayanti., Farewell day, Independence Day and Republic Day celebrations.

Dance performance during Shivaji Jayanti

COMPETITION: FORMULATION DEVELOPMENT-2018-19
PARTICIPANT: Nikalji Prihi, Anuja, Kopnar Rahul, Galkwad Anil
Class: 1st Yr B.Pharm

Product: Pomegranate Cough Syrup and Pomegranate Scrubber

Pomegranate Cough Syrup

Sl.No	Ingredients	Qty/10ml	Category
1.	Pomegranate Seeds juice	30ml	Expectorant
2.	Honey	18	Sweetening agent
3.	Ginger juice	6 ml	Expectorant
4.	Water	q.s to 60ml	vehicle

Pomegranate Scrubber

Sl.No	Ingredients	Qty/10ml	Category
1.	Pomegranate Peel Dried and ground to a fine powder	1gm	Scrub
2.	Rose water	q.s to 2ml	Perfume and Coolant

Procedure: Pomegranate Cough Syrup

1. Take 5-6 pomegranate and peel them to collect seeds.
2. Crush the seeds in a grinder and filter the extract through a muslin cloth and collect the juice.
3. Take enough ginger and crush it to extract its juice.
4. Measure 30ml pomegranate juice into a beaker, add 6ml of ginger juice and 18ml of honey to it and mix well.
5. Transfer it to a measuring cylinder and make up volume to 60 ml.
6. Transfer to a neatly labelled container.

Procedure: Pomegranate Cough Syrup

1. Take peel of a pomegranate and sun-dry it
2. Fine grind the dried peel and collect the powder.
3. Mix the powder with rose water to get a paste like consistency.
4. Transfer it to a wide mouthed bottle and label it.
